PETITIONING THE COURT**To issue a warrant.**

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number **Nature of Noncompliance**

- 1 **Special Condition #14:** You shall reside in a residential reentry center (RRC) for a period of up to 180 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

Supporting Evidence: On July 20, 2013, the director of the Spokane Residential Reentry Center (RRC) placed a telephone call to the supervising U.S. probation officer regarding Mr. Adolph's noncompliance with program rules. It was determined that Mr. Adolph violated the RRC standards and he was terminated from the program.

According to the RRC director, Mr. Adolph had an unauthorized phone at the facility and it was confiscated. Mr. Adolph then contacted staff at the control room window of the facility and demanded his phone. He stated that he needed it to call the provider to have the phone turned off. Mr. Adolph was told that he could not have the phone back as it was unauthorized for him to have it at the facility. Mr. Adolph then attempted to grab the phone by reaching through the control room window. The control room staff member and Mr. Adolph had a brief struggle over the phone until the staff member was able to regain control of the phone. Mr. Adolph then returned to the dorm area. This aggressive action toward the staff member is not tolerated and Mr. Adolph was directed to leave the facility.
